

Functional Assessment Support Teams (FAST)

2020 North Carolina FAST Responder Trainings

Meeting the needs of people with access and functional needs requires proper planning pre-incident and proper coordination during the incident. Support for this needs to come from government, non-governmental organizations, faith and community based organizations, and private sources. **Functional Assessment Support Teams (FASTs) will help assess people with access and functional needs and assist them by getting what they need to stay in a shelter.**

This training is for potential deployable FAST responders who meet, or can meet, the FAST Member Qualifications.

All trainings are 8 a.m. to 5 p.m.

Tuesday, March 10

Onslow County Emergency Operations Center
1180 Commons Drive North, Jacksonville

Tuesday, June 9

Buncombe County Emergency Services Training Facility
20 Canoe Lane, Asheville

Tuesday, September 15
