

## 2024 North Carolina FAST Training: NC Functional Assessment Support Team (FAST) Training (NC-2283)

Training for qualified professionals to become part of NCEM's Functional Assessment Support Team. The FAST Program's mission is to help individuals with access and functional needs and others with disabilities maintain their independence and safety after a disaster by determining what that individual needs through an assessment and procuring the needed item(s) and/or service(s). This training will cover the concept of the program, the different job functions and expectations, a small tabletop exercise, and the additional requirements candidates will need to complete after the training session.

January, 29<sup>th</sup> 2024 8am-4pm  
Joint Force Headquarters (SEOC) - Wake County  
1636 Gold Star Drive, Raleigh NC 27607
