

Division of Adult Correction
Prevent, Protect, Prepare.

**Prison Strategy
Contraband Workgroup**

Goal 1		Objective	Initiative	Performance Measure	Completion	Timeline
1	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.1 - Enhance and Strengthen Correctional Facility Entrance Screening	DPS Prisons will implement a standardized zero-tolerance policy for any individual caught bringing in contraband.	<ul style="list-style-type: none"> Performance measures can be evaluated by determining the number of staff, visitors, and/or offenders are officially charged with violation of the zero tolerance policy. This can be tracked on the contraband tracking system. 	Completed 100%	2/22/2019
2	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.1 - Enhance and Strengthen Correctional Facility Entrance Screening	DPS Prisons will implement body-scan technology for offenders, visitors, and staff.	<ul style="list-style-type: none"> Performance Measures can be obtained by documenting the number of incidents involving the scanning systems preventing contraband from entering facilities due to detection of contraband. This can be tracked on the contraband tracking system. 	Pending 10%	1/1/2020
3	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.1 - Enhance and Strengthen Correctional Facility Entrance Screening	DPS Prisons will provide additional canines to screening teams.	<ul style="list-style-type: none"> Performance measures can be measured by incidents involving discoveries of contraband utilizing canine assistance through drug interdictions, facility searches, or other searches involving canine activity. This can be tracked on the contraband tracking system. 	In Progress 25%	1/1/2021

Goal 1		Objective	Initiative	Performance Measure	Completion	Timeline
4	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.1 - Enhance and Strengthen Correctional Facility Entrance Screening	DPS Prisons will review and update facility entrance screening policies in order to standardize the screening process.	<ul style="list-style-type: none"> Performance Measures can be assessed by evaluating the introduction of contraband through the entrance/exit process. This can be tracked on the contraband tracking system. 	In Progress 100%	10/29/2018
5	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.2 - Enhance Facility Perimeter Security	DPS Prisons will implement additional fence netting to reduce contraband throw overs.	<ul style="list-style-type: none"> Performance Measures can be gathered by information on the number of contraband items found due to throw overs at facilities as well as the number of alerts that the motion detection system detects/alerts. This can be tracked on the contraband tracking system. 	Pending 50%	1/1/2020
6	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.2 - Enhance Facility Perimeter Security	DPS Prisons will implement additional fencing to reduce contraband throw overs.	<ul style="list-style-type: none"> Performance Measures can be gathered by information on the number of contraband items found due to throw overs at facilities. This can be tracked using the contraband tracking application. 	In Progress 10%	12/31/2019
7	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.3 - Enhance Mailroom Security	DPS Prisons will develop policies and procedures to copy personal mail items and give photocopies to offenders.	<ul style="list-style-type: none"> Performance Measures can be gauged by the number of contraband items discovered via the mailroom at each facility. This can be captured on the Contraband Tracking System. 	Completed 100%	10/1/2018

Goal 1		Objective	Initiative	Performance Measure	Completion	Timeline
8	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.3 - Enhance Mailroom Security	DPS Prisons will develop policies and procedures to implement special locations for searching mail and packages prior to entering the facility.	<ul style="list-style-type: none"> Performance Measures can be monitored by the number of contraband items being entered into facilities through the mailroom. This will be replaced via technology being piloted (TextBehind) at female facilities that eliminates mail begin physically delivered to facilities altogether, only electronically. This can be tracked in the meantime via the Contraband Tracking Application. 	In Progress 50%	10/1/2019
9	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.3 - Enhance Mailroom Security	DPS Prisons will implement drug testing of mail at all facilities.	<ul style="list-style-type: none"> Performance Measures can be guided by the number of contraband items found by use of the technology as it enters into the mailroom areas at facilities. This can be tracked by the Contraband Tracking System. 	In Progress 90%	10/30/2019
10	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.3 - Enhance Mailroom Security	DPS Prisons will implement standardized training for mailroom staff.	<ul style="list-style-type: none"> Performance Measures can be accomplished by obtaining the number of staff members assigned to mailroom areas or as back up to mailroom staff that have completed the training provided. 	In Progress 100%	10/1/2019
11	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.3 - Enhance Mailroom Security	DPS Prisons will implement use of X-ray technology of mail at all facilities.	<ul style="list-style-type: none"> Performance Measures can be guided by the number of contraband items found by use of the technology as it enters into the mailroom areas at facilities. This can be tracked by the Contraband Tracking System. 	In Progress 25%	1/1/2021

Goal 1		Objective	Initiative	Performance Measure	Completion	Timeline
12	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.5 - Utilize Intelligence to Interdict Contraband	DPS Prisons will coordinate with DPS MIS to create a database for contraband.	<ul style="list-style-type: none"> Performance Measures can be guided by the reports generated by the Contraband Tracking System which will elaborate on the amount, means, and disposition of contraband being introduced into facilities. 	In Progress 91%	1/1/2020
13	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.5 - Utilize Intelligence to Interdict Contraband	DPS Prisons will review and make recommendations for policies regarding enhanced drug testing.	<ul style="list-style-type: none"> Performance Measures can be evaluated by the number of positive/negative urinalysis results as well as the amount of contraband that is tested and verified as unauthorized substances. The unauthorized substances that are verified can be tracked with the Contraband Tracking System. 	In Progress 68%	11/1/2019
14	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.5 - Utilize Intelligence to Interdict Contraband	DPS Prisons will review and make recommendations on policies in reference to inmates receiving money.	<ul style="list-style-type: none"> Performance Measures can be accomplished by monitoring of the Inmate Phone (GTL) and Inmate Funds (JPay) systems. These systems work together to track all phone calls and funds sent/received by offenders. 	In Progress 100%	2/5/2020
15	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.5 - Utilize Intelligence to Interdict Contraband	DPS Prisons will track monies sent to inmates.	<ul style="list-style-type: none"> Performance Measures can be accomplished by monitoring of the Inmate Phone (GTL) and Inmate Funds (JPay) systems. These systems work together to track all phone calls and funds sent/received by offenders. 	In Progress 100%	2/5/2020

Goal 1		Objective	Initiative	Performance Measure	Completion	Timeline
16	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.6 - Enhance Cell Phone Interdiction	DPS Prisons will implement a mobile managed access system (MAS) to disrupt illicit cell phone use.	<ul style="list-style-type: none"> Performance Measures can be obtained by comparing the specific cell phones discovered by the mobile managed access system to those confiscated by staff inside of facilities as well as any intelligence gathered from the mobile managed access that may lead to discovery of other contraband or Security Risk Group activity. 	Completed 100%	6/30/2019
17	Goal 4 - Reduce Contraband in Prison Facilities	Objective 4.6 - Enhance Cell Phone Interdiction	DPS Prisons will monitor FCC policies that may impact cell phone interdiction efforts.	<ul style="list-style-type: none"> Performance Measures will be measured by any changes to policy or procedures within NCDPS Prisons allowed by FCC Guideline alterations. 	In Progress 100%	10/1/2018
