The Best Kept Secret at Work

What's the Secret?

Your employer knows that there are times when life and work can be stressful. That's why they have partnered with McLaughlin Young to provide you with an employee assistance program (EAP). An EAP is an agency-sponsored benefit that offers the support and resources you need to address personal or work-related challenges and concerns. Best of all, it's free for you and your household.

You are Covered

McLaughlin Young offers you and your immediate household members unlimited access to:

- Free, confidential help with personal or work-related concerns
- Referrals to other sources for assistance
- 24-hour emergency coverage

EAP is Confidential

Confidentiality is an essential part of the EAP. Your company will not know of your participation in the services nor have access to any information without your consent. The only exceptions are when someone's safety is in question.

How our EAP Works

When you call the EAP, you are offered a needs assessment by an experienced, licensed counselor. If it is determined that the concern can be resolved through problem-solving sessions, the employee assistance professional will assist in resolution. If it is determined that a referral is needed for ongoing support, the EAP will connect you with the most cost-effective resources for care.
