SBA Offers Disaster Assistance to Residents of North Carolina Affected by Tornado and Severe Storms

WASHINGTON – SBA Administrator Linda McMahon issued the following statement after the announcement of the Presidential disaster declaration for several counties in **North Carolina** affected by a tornado and severe storms on April 15, 2018:

“The U.S. Small Business Administration is strongly committed to providing **North Carolina** residents with the most effective response possible to assist businesses, homeowners and renters with federal disaster loans. Getting businesses and communities up and running after a disaster is our highest priority.”

The disaster declaration covers Guilford and Rockingham counties in **North Carolina** which are eligible for both Physical and Economic Injury Disaster Loans from the SBA. Small businesses and most private nonprofit organizations in the following adjacent counties are eligible to apply only for SBA Economic Injury Disaster Loans: Alamance, Caswell, Davidson, Forsyth, Randolph and Stokes in **North Carolina**; and Henry and Pittsylvania in **Virginia**.

Businesses and private nonprofit organizations of any size may borrow up to \$2 million to repair or replace disaster damaged or destroyed real estate, machinery and equipment, inventory, and other business assets. Applicants may be eligible for a loan amount increase up to 20 percent of their physical damages, as verified by the SBA for mitigation purposes. Eligible mitigation improvements may include a safe room or storm shelter to help protect property and occupants from future damage caused by a similar disaster.

For small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private nonprofit organizations, the SBA offers Economic Injury Disaster Loans to help meet working capital needs caused by the disaster. Economic Injury Disaster Loan assistance is available regardless of whether the business suffered any physical property damage.

Disaster loans up to \$200,000 are available to homeowners to repair or replace disaster damaged or destroyed real estate. Homeowners and renters are eligible up to \$40,000 to repair or replace disaster damaged or destroyed personal property.

Interest rates are as low as 3.58 percent for businesses, 2.5 percent for nonprofit organizations and 1.813 percent for homeowners and renters with terms up to 30 years. Loan amounts and terms are set by the SBA and are based on each applicant’s financial condition.
