## Post 1 – I-40 / NC41 – Exit 385

This intersection is an interchange off of I-40. Exiting either eastbound or westbound intersects with NC41; which is a two lane road. Both intersections are controlled with a stop sign. Each intersection has a one-way entrance ramp for either eastbound or westbound traffic. Two (2) Troopers will be needed at this post. No DOT equipment will be needed.

# DUPLIN COUNTY

## Post 2 – I-40 / NC11 – Exit 384

This intersection is an interchange off of I-40. Exiting either eastbound or westbound intersects with NC11; which is a two lane road. Both intersections are controlled with a stop sign. Each intersection has a one-way entrance ramp for either eastbound or westbound traffic. Two (2) Troopers will be needed at this post. No DOT equipment will be needed.

# DUPLIN COUNTY

## Post 4 – I-40 / NC24 / NC903 – Exit 373

This intersection is an interchange off of I-40. Exiting either eastbound or westbound intersects with NC903; which is a two lane road. Both intersections are controlled with a stop sign. Each intersection has a one-way entrance ramp for either eastbound or westbound traffic. NC24/903 is also a major evacuation route from Onslow County to I-40. Two (2) Troopers will be needed at this post. No DOT equipment will be needed.

# DUPLIN COUNTY

## Post 5 – I-40 / US117 – Exit 369

This is an interchange intersection of I-40 with US117; which is a three lane highway. This is an interchange where both the eastbound exit and entrance ramps are side by side, as well as the westbound exit ramps. These ramps form two separate T-intersections which are controlled by stop signs. Two (2) Troopers will be needed at this post. No DOT equipment will be needed.

# DUPLIN COUNTY

## Post 6 – I-40 / NC24 – Exit 364

This intersection is an interchange of I-40 & NC24. Exiting either eastbound or westbound intersects with NC24; which is a three lane road. Both intersections are controlled by a traffic signal. Each intersection has a one-way entrance ramp for either eastbound or westbound traffic. NC24 could be a heavily traveled road for evacuation. The Duplin County Rest Area is located at this intersection. Four (4) Troopers will be needed at this post. Two (2) additional Troopers may be needed to assist motorist with access to and from the rest area. No DOT equipment will be needed.

# DUPLIN COUNTY

## Post 7 – NC24 / NC903 – Kenansville

This intersection is located in Kenansville and is a four way intersection. NC24 is a five lane highway becoming divided at NC903; which is a five lane highway. This intersection is controlled by a traffic signal. This traffic signal could not handle the volume of traffic expected during an evacuation from Onslow County. Three (3) Troopers will be needed at this post. No DOT equipment will be needed.

# DUPLIN COUNTY

Post 8 – NC41 / NC111

This intersection is located in Chinquapin. This intersection is a T-intersection with NC41 which is a two lane highway, and NC111 which is a two lane highway. This intersection is controlled with a stop sign. Traffic could increase during an evacuation coming from Topsail Island. Two (2) Troopers will be needed at this post. No DOT equipment will be needed.
